SURFACES

# Materials Colours Surfaces

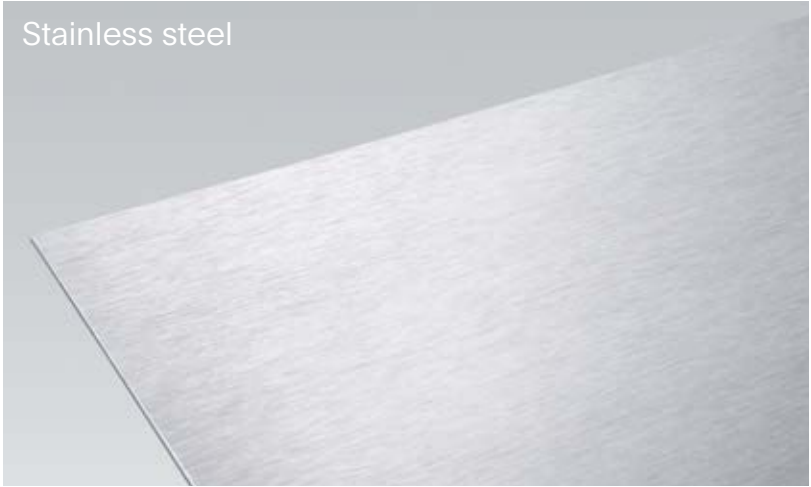

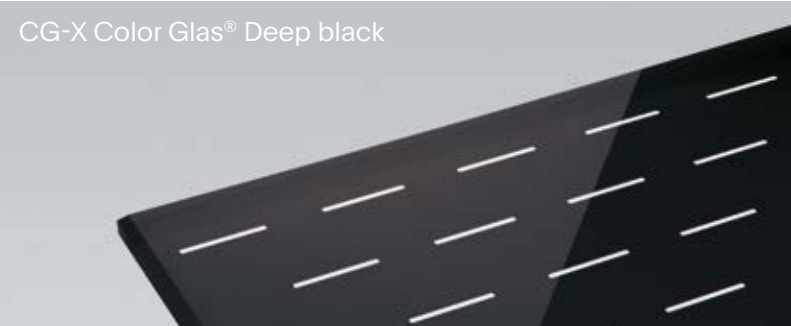

We develop exceptional products by concentrating on what is essential. All materials, colours and surfaces are carefully selected and harmonised with each other. A safe and well-balanced design is possible because of a sensible and manageable number.

Timeless elegance and long-lasting durability all add up to sophisticated architecture. A design that has received international accolades.

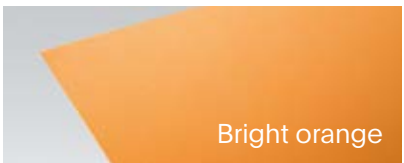

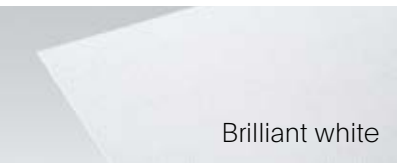

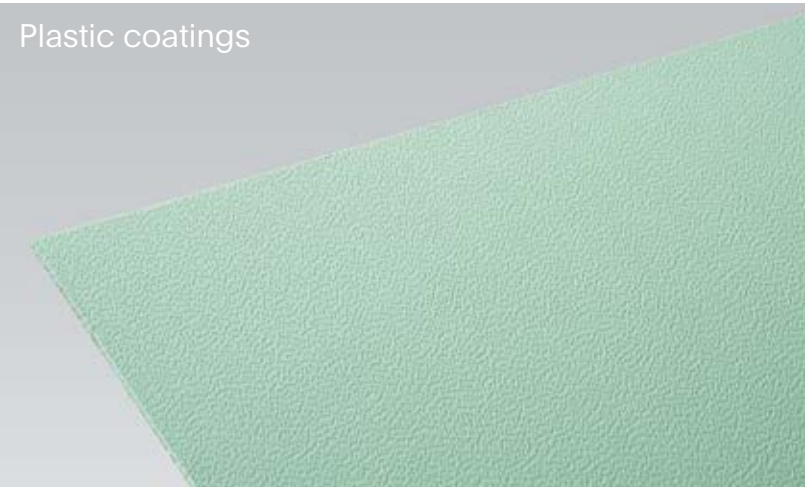

Cab walls:  
Color Glas®  
Laminated safety glass  
Stainless steel  
Matte lacquers  
Plastic coatings

Cab floors:  
Rubber  
Linoleum
